Hi All:

The following table (email below) contains all comments and responses resolved on the draft RI/FS workplan when we met on 6/17. Remaining comments to be resolved are those dealing with several redline/strikeouts (i.e., on site history).

The PRPs are planning to send the revised draft final RI/FS WP by this Friday 7/2. Before that date, the PRPs will be integrating our resolutions into the draft final document and coordinating with the attorneys to have the site history redline/strikeouts resolved. Any comments, let me know, thanks.

Thanks,
